

# Tactical Starlink Wanderer Pro

Swift, reliable communications when operating off the beaten path.

## Applications

- Communications on the move
- Support field operations and remote workers
- Off-Grid solution with built-in battery and solar panel connectivity
- Pairs well with real-time drone video streaming
- Bond Starlink with 4G/5G Cellular for reliable, always-on connectivity up to 500Mb/s

## Wanderer Pro at a Glance

### 01 Deploy

Mobile deployable communications solution that is cost-effective, easy to setup, and small enough to carry on any flight.

### 02 Connect

Connect up to 128 devices and enjoy instant connectivity anywhere with high-speed internet and low latency.

### 03 Explore

Lightweight, portable solution for users operating in isolated locations or during emergency scenarios.
